

TIPS AND IDEAS FOR WORKPLACES

There's no interchange bench for Footy Colours Day - get everyone involved with our tips and tools.

Activities and games

Adding extra activities and friendly competition to your event will make sure it's premiership worthy! Here are some ideas:

- Office decorating or dress up competitions.
- Hand ball or longest kick competitions.
- Actions, raffles and trivia - nothing adds points on the board like auctions, raffles and trivia.
- Fine box - get contributions for things like being late, swearing or even telling bad jokes!
- Host a bidding war over the boss's office for a day, parking spot or a colleague's talents or services.
- Involve your local community and/or clients to donate to your auction or raffle.

Footy finals fever

September is all about finals footy so encourage your colleagues to share their passion for footy to make sure your event comes out on top.

- Start the season early with a company-wide footy tipping competition and announce the winner on your Footy Colours Day event.
- On your event day, let your footy buffs show off their knowledge of the game with a quiz - ask people for a donation for any wrong answers.

Morning or afternoon tea

- Encourage team bonding by coming together over a morning or afternoon tea, BBQ, Friday afternoon drinks, or other team activities - ask colleagues to donate what they would normally spend for that occasion.
