## How to play

Bingo is a fun and easy game for all! Simply give each participant a playing card and pen. Cut out the individual words from the box to the right and place them into a bowl. Draw out one word at a time and announce it to the players. Players then mark the words off their cards. You may also like to keep a record of what words are called out in order next to you.

When a player has crossed off a straight line of words either vertically, horizontally or diagonally,
